THE WORLD AT WOFFORD

Wofford College, established in 1854, is a four-year, independent, residential liberal arts college located in Spartanburg, S.C. It offers a distinctive program with 25 major fields of study to a student body of 1,650 undergraduates.

Nationally known for the strength of its academic program, outstanding faculty, study abroad participation and successful graduates, Wofford ranks well in U.S. News & World Report, The Princeton Review, The Fiske Guide to College, Kiplinger's Personal Finance and the Open Doors Report on International Education Exchange, an organization that ranks Wofford #4 in the nation for study abroad participation.

Wofford has produced six Rhodes Scholars and is home to one of the nation's 283 Phi Beta Kappa chapters.

A leader in offering high-impact learning opportunities to students, Wofford encourages students to take advantage of all that Wofford, and through it the world, has to offer.

These opportunities include internships with scientific, corporate and non-profit organizations across the globe, undergraduate research opportunities, service-learning in the local community, international study abroad programming and a thriving host of co-curricular opportunities on campus.

One of those co-curricular offerings is the R. Michael James Fund, a student-managed and operated investment organization. The Space in the Mungo Center also prepares students for life after Wofford by offering professional development, career services and much more.

Student and residence life on campus include exciting Division I NCAA athletics, opportunities to participate in one of the college's Greek-letter fraternities or sororities, competitive intramurals, a diverse selection of clubs, student publications and a housing plan that helps students progress from first year through fourth in a close-knit community that builds independence. The residence life experience culminates in a final year in

The Village, beautiful, Charlestonian-style apartments designed to help transition students from college student to successful graduate.

Thanks to the generosity of alumnus and trustee Jerry Richardson '59, the Rosalind Sallenger Richardson Center for the Arts opened in May of 2017 and the Jerry Richardson Indoor Stadium to house new basketball and volleyball arenas opened in September of 2017. The new Greek Village was completed in the spring of 2016.

Additionally, a new state-of-the-art environmental studies building and Jerome Johnson Richardson Hall, a 150-bed residence hall, will open in the fall of 2020. Renovations to the library into an academic commons will be completed in the fall of 2019 and renovations to Burwell Dining Hall are expected to be completed in winter of 2021.

Wofford's entire 175-acre campus is a national arboretum, named the Roger Milliken Arboretum at Wofford College in honor of the late longtime trustee and benefactor.

Wofford offers distinctive learning opportunities that set it apart from other liberal arts colleges. A few of those high-impact educational experiences include:

The Interim, a January term that encourages students and faculty to explore new interests both on and off campus. A small sampling of on-campus programs include: Animal Cognition and Rat Basketball, Personal Finance, and Riding and Researching the Horse. Travel/study projects will take students to Australia, Cuba, China, Ireland, Germany, Japan and other sites around the world. Students also complete internships both locally and around the globe.

The Bonner Scholar program, a service-learning scholarship program that places deserving students in volunteer positions throughout the community.

The Space in the Mungo Center, a place where students can build upon their liberal arts education by adding professional skills desired by employers and graduate schools. The Space includes The Space to: Prepare (career services and professional development training); The Space to: Impact (a four-year scholarship program that empowers students to impact the world); The Space to: Launch (entrepreneurship support and competitions); The Space to: Consult (hands-on research, writing and problem-solving training within a consulting framework); and The Space to: Explore (in-depth global study).

Environmental Studies provides a creative and supportive learning environment that helps students pursue their goals in the field of sustainability. It operates both on Wofford's campus and at the college's Goodall Environmental Studies Center at Glendale, S.C. The property where the center is located borders 19 acres of protected green space along Lawson's Fork Creek.

Neuroscience, a program that allows students to examine the nervous system and its regulation of behavior through an experimental approach, is offered jointly by the Departments of Psychology and Biology.

Computational Science, a fast-growing in-

terdisciplinary field that is at the intersection of the sciences, computer science and mathematics, involves learning to store, retrieve, process and visualize massive amounts of information in web-accessed databases.

The Novel Experience, a first-year reading and writing program that offers an introduction to the academic rigors of Wofford while familiarizing students with the Spartanburg community.

The Creative Writing Concentration, a program led by outstanding published faculty authors that provides additional opportunities for students to hone their creative writing skills, earn coveted prizes and become published writers. The Wofford Writers Series brings published writers to campus to augment the Creative Writing Concentration.

The Presidential International Scholar program offers an opportunity for an outstanding, intellectually gifted student to visit developing countries researching a specific academic area of interest. The student then returns to campus to share his or her experiences.

Presidential Seminar, a weekly seminar for outstanding seniors hosted by Wofford President Nayef H. Samhat. Seminar participants explore interdisciplinary subjects of current significance. The college now has a similar program for juniors.

Liberty Fellowship is a two-year leadership experience for young citizens of South Carolina with exemplary promise for societal achievement. The Liberty Fellowship is housed at the college and offered in partnership with South Carolina businessman Hayne Hipp and the Aspen Institute.

Dating back to 1919 when Frank Ellerbee played baseball for the Washington Senators, Wofford alumni have made an impact in professional sports. From basketball to baseball to football, golf and soccer, Wofford alumni are making their marks in professional leagues.

William McGirt has earned over \$10 million on the PGA Tour since earning his card in 2011. He won the 2016 Memorial Tournament and has played in several majors, including the 2017 Masters. Forrest Lasso is playing professional soccer with FC Cincinnati in the MLS.

In basketball, Mike Lenzly was a member of the 2012 Great Britain Olympic Team. Additional Terriers who have played overseas recently include Noah Dahlman, Howard Wilkerson, Brad Loesing, Jamar Diggs, Lee Skinner, Karl Cochran, Spencer Collins, Justin Gordon, Eric Garcia and Cameron Jackson.

Wofford also has been well represented in minor league baseball. Brandon Waring, Michael Gilmartin, Alex Wilson, Luke Leftwich, Will Stillman, Matt Milburn, Spencer Kulman, Kody Ruedisili, Jacob-Condra Bogan and Adam Scott all were with teams in the last five seasons. John Cornely made his MLB debut with the Atlanta Braves in 2015.

Over the past ten years, Andy Strickland (Atlanta

and Jacksonville), Tommy Irvin (Arizona), Pat Illig (Detroit), Kasey Redfern (Jacksonville, San Diego, Detroit and Dallas), Alvin Scioneaux (San Diego), Brenton Bersin (Carolina), David Marvin (Atlanta), Miles Brown (Arizona), and JoJo Tillery (Tennessee) have been in NFL training camps. Bersin reached Super Bowl 50 in 2016. Ameet Pall was the fifth overall pick in the 2012 CFL draft.

THE STADIUM

Prior to the 1996 season, the Wofford football team played home games at Snyder Field. The first football game was played at Snyder Field in 1930, with lights installed for the 1948 season. With the move to NCAA Division I, a new football facility was a priority. Gibbs Stadium seats approximately 8,500 in grandstands, while an additional 4,500 seats are available in both endzones. The south endzone, known as the Verandah Lot, has become prime tailgating space for donors to the Terrier Club.

The press box includes two radio booths, a television booth, replay booth, plus two coaches boxes. A crows nest for videographers is also provided. On the second level, the Mungo Room is a hospitality suite that serves as the President's Box on gameday.

Architects for Gibbs Stadium were McMillan, Smith and Partners, while M.B. Kahn Construction was the general contractor. The overall budget for the project was approximately \$4.5 million. In 2015, the playing surface was replaced.

The facility was made possible with a gift from the Gibbs Foundation, along with support from federal economic development grants and Spartanburg County School District 7. Gibbs Stadium is the home of Wofford football, along with the Shrine Bowl of the Carolinas. During the summer the facility is used by the Carolina Panthers and it served as the home field for Spartanburg High School football through the 2018 season.

THE FIELD

On October 27, 2018, Wofford unveiled a new gateway field entrance and officially named the field at Gibbs Stadium in honor of Coach Mike Ayers. For 30 years, Ayers expected Terrier toughness on the field and Terrier determination in the classroom. He retired at the end of the 2017 season with a 207-137-1 overall record at Wofford.

JIMMY AND MARSHA GIBBS

The stadium, opened in October 1996, is named in honor of Jimmy and Marsha Gibbs, recognizing their long friendship with the college and lead gift of \$1 million for the stadium project.

Mr. Gibbs is president of Gibbs International of Spartanburg, the world's largest dealer in pre-owned textile machinery. The Gibbs' relationship with Wofford spans two generations. The late Melvin I. "Razor" Gibbs of the class of 1943 earned 16 varsity letters at Wofford as a student in the early 1940s and after World War II. In 1983, Mr. and Mrs. Gibbs established an endowed football scholarship in his father's memory.

The Wofford Captain's Council presented the Gibbs with its 2004 Distinguished Service Award. The Gibbs also received a Wofford Distinguished Service award from the Southern Conference in 2004. In 2008, the Gibbs, along with Ed Wile and Harold Chandler, announced a challenge gift of \$1.5 million which was used to raise funds for endowed athletic scholarships. The Gibbs also provided the funding for the videoboard installed prior to the 2010 season.

The LED video board installed in 2010 is 57 feet wide and 22 feet tall.

Also included on the second floor is an aerobic dance room, team meeting room, racquetball courts and a student-athlete lounge. Locker rooms for football, men's and women's cross country/track and field, men's and women's soccer and a training room are located on the first floor.

Wofford alumnus Jerry Richardson made donations in 2008 and 2018 that were used for enhancing the Richardson Building. Numerous improvements were made in the facility to ensure that it is one of the most advanced athletic facilities in the nation.

The most recent renovations to the building include a 1,200 square foot addition to house a new state of the art hydrotherapy suite which includes a Hydroworx aquatic therapy pool with underwater treadmill. The existing training room was relocated to adjoin the new hydrotherapy suite, which results in a much-needed increased size for the new training room. Supporting the training area are three staff offices, exam room, and state-of-the-art x-ray room. The new team meeting room is equipped with the latest video technology and a media backdrop for postgame press conferences.

The existing football locker room was expanded and upgraded. The upgrades included new paint, carpet, ceilings, and lighting. The equipment room has been reconfigured, and a new high-density storage system was purchased to increase capacity and improve efficiency in the handling of equipment. In addition to the visible improvements a new supplemental mechanical unit to control moisture and improve indoor air quality was installed, along with new HVAC controls in the entire building.

With the campus fitness center relocated to the Benjamin Johnson Arena, renovations were also made to the second floor. A second team meeting room was created with sliding glass walls to provide flexibility for a variety of uses. A student-athlete lounge was built near the racquetball courts which includes two 70-inch monitors.

The building also includes the Harley Room, a large multipurpose area overlooking Gibbs Stadium. The area hosts a wide variety of campus events during the year. On the patio, a sculpture of Jerry Richardson was dedicated on May 12, 2014 to honor him and recognize the 20th anniversary of the Carolina Panthers summer training camp being held on campus. The sculpture, created by noted California artist Todd Andrews, depicts Richardson seeming to be ready to walk over to Gibbs Stadium to watch the Terriers – for which he also played – take on the next worthy opponent.

THE JOE E. TAYLOR CENTER

Wofford alumnus and former South Carolina Secretary of Commerce Joe Taylor donated \$1 million for the renovation of the Curry Building into the Joe E. Taylor Athletic Center. The Taylor Center features a 7,000 square foot weight room and offices for athletic department staff. The building, located next to Gibbs Stadium, was completed in June of 2009.

The weight room facility is equipped with a total of 24 racks with built-in pull-up bars and nearly 25,000 pounds of plates, dumbbells and olympic weights. The 24 racks are divided, with twelve used with platforms and twelve used with benches. Additional equipment includes four pulldown machines, four low row machines, five power runners, six glute/ham machines, two decline ab machines, a leg press and exercise bike. Also included is a large area of Mondo track flooring, which is used with the step-up boxes, plyo boxes and hurdle sets in speed development.

The Taylor Center also provides offices for administration and numerous sports, including women's soccer, men's and women's golf, men's and women's tennis and cross country and track and field. A conference room and several work areas give the coaching staff much needed space.

RICHARDSON INDOOR STADIUM

A new era at Wofford began in 2018 with the opening of the Jerry Richardson Indoor Stadium. The new home of basketball and volleyball is adjacent to the north end of Gibbs Stadium, where the Terriers play football.

Wofford alumnus and trustee Jerry Richardson, Class of 1959, provided the gift to fund the facility that includes a 3,400-seat basketball arena and a 350-seat volleyball competition venue as well as offices, locker rooms, meeting rooms, training rooms and special fan areas, including several open-air suites. The facility replaces Benjamin Johnson Arena, which will continue to be used as a first-rate gymnasium for intramural and campus recreational activities.

The facility has already been able to attract top opponents for the basketball teams, including South Carolina, North Carolina, Harvard and Georgia Tech.

The Jerry Richardson Indoor Stadium also has a seating capacity for non-athletics functions, such as commencement and concerts, of 4,500. The facility includes "Club 51" for club seat holders, the "Boneyard" lounge in the student section, state of the art sound system and acoustical design, along with electronic charging stations throughout the building.

BENJAMIN JOHNSON ARENA

When the campus community bid farewell to the Benjamin Johnson Arena as the home of Wofford basketball and volleyball in 2017, it created new possibilities for student recreation and wellness. The renovated Benjamin Johnson Arena student fitness center opened in January of 2018.

"The Benjamin Johnson Arena, which opened in 1981, holds a lot of history for Wofford College, and we're glad we are able to continue to use the facility as a larger, better fitness center for our students, faculty and staff," President Nayef Samhat says. "The addition of the new Jerry Richardson Indoor Stadium provides us with this terrific opportunity to give our community a place in the Benjamin Johnson Arena to exercise both their bodies and their minds."

The lower level of the arena (once basketball and volleyball courts and bleachers) houses a new multi-sport playing surface with three courts. A walking track surrounds the perimeter of the courts. The locker rooms were completely renovated. The concourse areas have become the new student fitness center with the installation of a variety of equipment and machines.

The east concourse has weight equipment, including free weights, benches and machines. The other concourse has cardio equipment, including treadmills, stationary bikes and elliptical machines. The concourses also have open locker storage and new audio-visual equipment.

In addition to the fitness activities, Benjamin Johnson Arena is home of a comprehensive intramural, recreation, and club sports programs that encompass team sports, individual sports, fitness classes, club sports, as well as various other programs. Highlights include intramural basketball and softball, equestrian club, men's club lacrosse, club ultimate frisbee and an outdoors club.

The arena is named after Benjamin O. Johnson '30 who was a Spartanburg textile executive associated with Spartan Mills. Mr. Johnson was also a trustee of Wofford College as well as a benefactor. Wofford moved into the Benjamin Johnson Arena in 1981 after playing in adjacent Andrews Field House for 50 years. The \$4.5 million arena is part of the Campus Life Building, which was designed to serve as the center of athletic, social and cultural activity on campus.

The first men's basketball contest was held on January 22, 1981, as The Citadel scored a 65-64 win over Wofford. The Terriers first win in the arena was on January 26, 1981. The men had an overall record of 334-131 in 37 seasons in the facility.

The Wofford women's basketball team fielded its first varsity team in the 1980-81 season, moving into Benjamin Johnson Arena in 1981 after playing in Andrews Fieldhouse for the first half of the season. The first women's basketball game was held on January 22, 1981, with Wofford defeating Sacred Heart 74-25.

The City's origins predate the Revolutionary War. Spartanburg was named for a unit of American Revolution forces called the "Spartan Rifles" who helped defeat the British at the Battle of Cowpens in 1781, under the leadership of General Daniel Morgan.

The town of Spartanburg was incorporated in 1831 and later as a city in 1880 by the 13 Original States and Tennessee. During this time Spartanburg was booming due in large part to the rapidly expanding textile industry.

In the 1870s, Spartanburg became a railroad "hub city," with mainline railroads extending from Magnolia Street depot in all directions, taking passengers and freight to Charleston, Augusta, Atlanta, Asheville, Charlotte and points beyond. As many as 90 trains per day could be seen and heard operating in Spartanburg during the golden age of the American railroad, 1900-20.

During the 1920s, Spartanburg built South Carolina's first municipal airport and claimed the state's first commercial radio station (WSPA). Its leadership in the state was reflected by the election of several residents as governor.

Thousands of U.S. soldiers bound for overseas service in World Wars I and II trained at camps in Spartanburg. The post headquarters for Camp Wadsworth (1917-19) was located at the present site of WestGate Mall, and the Camp Croft (1940-45) was located south of the city.

Much of that military reservation has become Croft State Park.

After World War II, Spartanburg made a concerted effort to promote its location at the junction of Interstates 85 and 26 to international business. One of the greatest successes of this campaign was the development of the BMW manufacturing center near the Greenville-Spartanburg Airport.

Spartanburg's downtown, which always has been anchored by the campuses of Wofford and Converse Colleges, has been undergoing a major revival since the mid-1990s. In addition to the corporate headquarters for Denny's, Advance America, QS-1 and several other companies, the city has acquired a magnificent public library, the Marriott Hotel at Renaissance Park and most recently, the Chapman Arts Center and the USC Upstate George Dean Johnson School of Business. The area surrounding Morgan Square gradually is redeveloping with a variety of interesting restaurants and urban apartment-style housing.

Throughout the 20th century, textile manufacturing

companies formed the backbone of the Spartanburg economy. The most significant of these companies still in operation is internationally respected Milliken & Company.

Blessed by geography and climate as well as by energetic and well-educated citizenry, Spartanburg is emerging as one of the centers of a 21st century metroplex that extends along the South Carolina portion of

ALEX HAMILTON

HEAD COACH - 3RD SEASON SOUTH CAROLINA '05

Alex Hamilton enters his third season at the helm of the Wofford men's golf program. Hamilton was hired as head coach on May 10, 2017. Hamilton spent the previous season as head coach at South Alabama. He replaced Vic Lipscomb, who retired after 13 seasons as the head coach.

In his second year at Wofford, Hamilton guided the Terriers to six top 10 finishes, including second place at the Athens Southern Invitational, where the Terriers were second only to nationally-ranked South Carolina, edging out the host and nationally-ranked Georgia Bulldogs by three strokes. Wofford had three individuals place fourth or better throughout the 2018-19 season, including All-Southern Conference member Walker Simas and All-SoCon Freshman Matthew Copeland and Walker Jones.

In his first year at Wofford in 2017-18, Hamilton helped the Terriers to three top 10 finishes, including a second place finish in the Wofford Invitational. The second place finish was Wofford's best since 2016 and tied for the best finish by a Wofford team in the tournament as the Terriers have finished as the runner-up five times in the 30 year history of the tournament. Five Terriers either set or tied new career bests in the event. Nick Willis was selected to the SoCon All-Freshman team for his performance on the season.

Prior to South Alabama, Hamilton spent three seasons as an assistant coach at the University of South Carolina. He helped the Gamecocks to three straight NCAA Championship appearances.

In 2016-17, he led the Jaguars to a sixth place finish at the Sun Belt Conference Championships. On the season, South Alabama had five top-five performances while placing among the top 10 in all but the opening event of the year. Freshman Rasmus Karlsson earned second team All-Sun Belt honors.

"We are pleased to introduce Alex Hamilton as head coach of the men's golf team," said Richard Johnson, Director of Athletics. "During our search, one of the names that kept coming up was Alex's. He has strong connections in the South Carolina golf community and has all the attributes we were looking for in a leader for this program. We look forward to working with Coach Hamilton."

"I am extremely excited for the opportunity to coach the men's golf team at Wofford," said Hamilton. "The Terriers have a strong tradition and the chance to lead such a great program is something that I am looking forward to. Wofford has a track history of producing professional players such as William McGirt and the recruiting base in the Carolinas is one of the best in the country."

During his three seasons as an assistant on the Gamecock staff, he helped coach three individuals who earned All-America accolades and a trio of all-Southeastern Conference selections as South Carolina won 12 tournaments with nine players picking up medalist honors. The program finished among the top five at an NCAA Regional each of those seasons to advance to the national championship, where they would move on to the final day of stroke play and end up among the top 15 on each occasion. In 2016, the Gamecocks advanced to match play for the first time since the format was adopted in 2009.

South Carolina had a 286.58 scoring average in 2015-16 and placed among the top five nine times, which both stand second in the program's record book. Carolina won four tournaments on the season — including three events in the spring — before going on to record a second-place finish at the NCAA Tuscaloosa Regional. Matt NeSmith was a first-team All-America selection, also receiving PING All-Southeast Region and first-team All-conference recognition. Keenan Huskey was also named All-region, while the team would end up 10th in the final Golfweek/Sagarin rankings.

South Carolina's 2014-15 squad had 10 top-five finishes, surpassing the mark recorded in Hamilton's first year on the staff. That included earning five tournament titles as Carolina would go on to end the campaign ranked sixth in the final Golfweek/Sagarin ratings. NeSmith became just the second Gamecock to claim medalist honors at the SEC Championship, winning by a six-stroke margin with a school-record 14-under-par 196 total, as both he and Will Starke were chosen first-team all-league while adding PING all-Southeast Region recognition; the duo were named All-Americans by both Golfweek and PING.

During his first season on the staff, Hamilton helped the Gamecocks earn three tournament championships and tie a then school record with nine top-five performances. Will Murphy earned All-America honors after tying for 15th place at the tournament and NeSmith collecting first-team all-region and second-team All-SEC accolades.

His efforts in recruiting helped the Gamecocks secure commitments from eight top-100 players, while off the course USC had 29 individuals named to the SEC Academic Honor Roll and eight recognized as Cleveland Golf/Srixon All-America Scholars by the Golf Coaches Association of America.

In addition to coaching duties both in competition and at practice, Hamilton was responsible for assisting with recruiting, helped oversee team workouts, handled NCAA compliance paperwork, and aided

with oversight of the program's budget. He also served as tournament director for the Camden Collegiate Invitational.

Hamilton joined the coaching ranks as an assistant at Mercer during the spring 2013 semester, where helped the program have two individuals earn an invitation to an NCAA Regional for the first time in school history.

He received his degree in economics and real estate from South Carolina in 2005 after earning four letters as a member of the golf team. In addition to collecting second-team All-SEC honors as a junior, he was twice selected a GCAA All-America Scholar-Athlete and made the SEC Academic Honor Roll three times. The Gamecocks earned an invitation to an NCAA Regional all four of his years, including advancing to the NCAA Championship when he was a sophomore.

Upon graduation, Hamilton competed on several professional tours including playing in a pair of PGA Tour events during the 2010 season. In six-and-a-half years, he participated in more than 100 tournaments, picking up 31 top-10 finishes highlighted by a pair of victories on the eGolf Tour.

Hamilton, a native of Aiken, S.C., and his wife Kristin, have one daughter, Hope. His father, Jim, was a two-year captain and four-year letter-winner for the Gamecock golf program as well.

THE WOFFORD INVITATIONAL

HISTORY

THE WOFFORD INVITATIONAL IS ONE OF THE MOST PRESTIGIOUS MEN'S TOURNAMENTS IN THE SOUTHEAST. IT INVITES PARTICIPANTS FROM AROUND THE NATION TO COMPETE IN A TWO-DAY, 54-HOLE EVENT.

WHAT SETS THE TOURNAMENT APART FROM THE OTHERS IN THE REGION IS THE STRONG TRADITION THAT BEGAN WHEN THE TERRIERS WERE A MEMBER OF NCAA DIVISION II. IN THE 27 YEARS THE TOURNAMENT HAS BEEN HELD, THERE HAVE BEEN 17 DIFFERENT TEAM CHAMPIONS CROWNED AT THE CAROLINA COUNTRY CLUB AND COUNTRY CLUB OF SPARTANBURG. THE LIST OF CHAMPIONS AND PARTICIPANTS IS IMPRESSIVE, BUT IT IS THE GOLFERS WHO HAVE COMPETED FOR THE INDIVIDUAL TITLE THAT MAKES THE TOURNAMENT WHAT IT IS. THE WOFFORD INVITATIONAL HAS INSTANT RECOGNITION WITH THE LIKES OF PGA TOUR VETERANS GIBBY GILBERT, LEN MATTIACE, RICHARD COUGHLAN, BRETT QUIGLEY, CHARLIE RYMER, AND KEVIN JOHNSON ALL WALKING THE CAROLINA COUNTRY CLUB AS TOURNAMENT PLAYERS.

NAIA NATIONAL CHAMPIONS

TERRIERS TAKE HOME THE NATIONAL CHAMPIONSHIP

JUNE 8, 1973

THE 1973 CHAMPIONSHIP TEAM CLAIMED THE FIRST NATIONAL TITLE FOR ANY COLLEGIATE TEAM IN THE STATE OF SOUTH CAROLINA

GRAMLING, S.C.—Wofford's Terriers stunned the rest of the NAIA National Golf Tournament field with a sizzling final round to win the national championship by 14 strokes at the Village Greens Country Club.

The Terriers' title marks the first national collegiate championship won by a South Carolina team in any sport, and the victory margin was among the largest posted in NAIA national golf competition. Campbell College of Buies Creek, N.C., nine shots back after the second round, turned in a fine 297 total, but could only watch as Wofford rolled over the hill-laden course for a 73-72-75-72-292 showing.

The Terriers posted the best team total in each of the tournament's three days. But, as fate and the bounce of the ball would have it, the individual crown eluded Wofford. The top individual Terrier was sophomore Marion Moore, who produced a par 72 to finish three shots back of the leaders at 216. Wofford's Paul Hyman was fourth at 217 and the Terriers' Pat Crowley tied for seventh at 220.

Wofford's top four players received NAIA All-American honors. Wofford coach Earl Buice was named the NAIA Coach of the Year after adding the national championship to his list of four district championships and two state crowns.

Wofford was never challenged the last day as none of the other 16 schools could mount a charge.

NATIONAL CHAMPIONS REUNITE

APRIL 15, 2013

2013 marked the 40th anniversary of Wofford's NAIA National Championship. In honor of the event, all five members of the '73 championship team recreated the photo they took 40 years prior, holding the national championship banner and standing in the same order they stood that same day. In place of Wofford's late head coach Earl Buice and the NAIA Commissioner pictured in the original photo, both children of the late head coach Earl Buice held the championship trophy.

The event was held in conjunction with the Coca-Cola Wofford Invitational at the Country Club of Spartanburg. After watching the men's golf team finish its round, the national championship team took part in a dinner and ceremony to commemorate their accomplishments.

P.J. "MR. RULES" BOATWRIGHT

P.J. Boatwright, a 1951 Wofford College graduate, was the world's foremost authority on the Rules of Golf. Boatwright was Executive Director, Rules and Competitions, for the United States Golf Association (USGA). Inside the game, he was known as "Mr. Rules," having helped to write or rewrite many of them.

As a senior rules official of the USGA, Boatwright was a towering and familiar figure at U.S. Open Championships. More than any other individual, Boatwright responsible for the playing conditions and conduct of the Open.

Over a period of 31 years, he oversaw the course setup and conduct of virtually every USGA championship. As Joint Secretary of the World Amateur Golf Council, he was responsible for the conduct of the World Amateur Team Championships for men and women.

During championships, Boatwright carried his walkie-talkie in the outer pocket of his jacket in order to keep his hands free to finesse his signature pipe.

"P.J. Boatwright, for about a dozen years, was the most powerful person in amateur golf and maybe all of golf," Wofford head men's golf coach Vic Lipscomb said. "His finger was on the pulse for all golf played in the United States."

Boatwright joined the USGA in 1959 and was its longest-tenured and most revered staff member. He became executive director in 1969 and executive director of rules and competitions in 1980.

Boatwright's stature was such that the quadrennial rules conference between the USGA and the Royal and Ancient, traditionally held at St. Andrew's, had been rescheduled for Florida in the hope that Boatwright might be able to attend before he passed away. As Michael Bonallack, secretary of the R&A, said, "A rules conference without P.J. would be like strawberries without cream."

Boatwright was the guardian of tradition in all things related to golf, and especially liked to see narrow fairways and slick, firm greens in the Open.

Boatwright oversaw his last event in New Zealand in October 1990, when the United States won the Women's World Amateur Team Championship at the Russley Golf Club in Christchurch, and Sweden captured the men's championship at the Christchurch Golf Club.

The last significant shot he saw was Phil Mickelson's 40-foot putt for a birdie on the last hole that saved the United States a tie for second place with New Zealand.

Boatwright, who was born in Augusta, Ga., walked his first 18 holes at age 10. He didn't have a club in hand. He was just there to keep his grandfather company. Shortly thereafter, he played his first nine holes at the Augusta Arsenal Golf Club.

Growing up in Spartanburg, S.C., Boatwright became a championship amateur golfer. He won the South Carolina Amateur in 1951 and the Carolina Open in 1957 and 1959. Overall, he qualified for four United States Amateurs. Boatwright's handicap was once a +1.

The P.J. Boatwright Memorial Trophy was established in 1992 to honor the team champion at the Wofford Invitational each spring at The Carolina Country Club in Spartanburg.

Boatwright was the recipient of the 1990 William D. Richardson Award for distinguished contributions to golf, given by the Golf Writers Association of America. He also received the Metropolitan (New York) Golf Association's Distinguished Service Award in 1983 and the Metropolitan Golf Writers Association's 1986 Gold Tee Award.

Boatwright was selected as a member of the Wofford Athletic Hall of Fame, the South Carolina Athletic Hall of Fame and the Carolinas Golf Hall of Fame.

MOORE CROWNED TOURNAMENT MEDALIST APRIL 14, 1998

SPARTANBURG, S.C.—Rion Moore carried a four-shot lead going into the final round and finished with a birdie on the final hole to record a 74 to capture the Southern Conference individual championship by one stroke over East Tennessee State's

David Christensen, the first league title by any Wofford individual or team. Moore landed his second shot four feet from the hole on the par-5 18th hole, but could not make his eagle putt which would have sent the tournament into a sudden-death playoff for the team championship. However, Moore did make the birdie try to preserve the individual title.

MCGIRT WINS SoCON INDIVIDUAL TITLE APRIL 22, 2001

CHATTANOOGA, Tenn.—Wofford's William McGirt made par on the first hole of a sudden-death playoff Sunday to win the individual title at the 2001 Southern Conference Men's Golf Championship. McGirt was tied with East Tennessee State's Pat Beste at 5-under par 205 after regulation.

The Wofford senior two-putted on the 352-yard, par four first hole at the par 70 Chattanooga Golf and Country Club. Beste's tee shot on the playoff hole went left of the fairway among a tree-lined area, and he managed a bogey to finish as the runner-up.

McGirt had been two back from the lead after the first two rounds of play and was one shot behind Beste. However, he birdied his first hole in the final round to close in on the lead.

"I felt like I needed to get off to a good start and I did that," McGirt said.

Ironically, Beste was last year's SoCon medalist while McGirt finished a stroke back to place second. Wofford head coach Dan O'Connell felt that the win was most fitting for the talented senior.

"What a great way for him to close out his career," O'Connell said. "He really, really deserved to win it, especially after last year."

The win, McGirt's first of the season, coincided with the final competition of his collegiate career. For the senior, there was no better way to finish.

"It was a great way to go out," McGirt said. "I didn't have a great fall, but the last three tournaments have gone well. I ended on a good note."

NAIA NATIONAL COACH OF THE YEAR

EARL BUICE, 1973

Head coach Earl Buice led the 1973 Wofford men's golf team to the NAIA National Championship title, the first national title won by any collegiate team in South Carolina. During his time at the helm of the men's golf program, Buice coached five players to NAIA All-American Honors. He was inducted into the Wofford Athletic Hall of Fame in 1983.

THE CAROLINA PANTHERS

The Carolina Panthers have held training camp at Wofford since their inaugural season in 1995 and it will be held on campus until at least 2019. The camp provides Wofford tremendous national exposure and visibility. Media members that visit Wofford during the camp include ESPN, Fox Sports, NFL Network, *USA Today* and *Sports Illustrated*. Local print and television media from markets including Columbia, Charlotte, Raleigh/Durham/Chapel Hill, Asheville and Greensboro/Winston-Salem are on campus on a daily basis.

According to SI.com's Tim Layden, "as I like to think of it: Training Camp Heaven. Wofford is 70 miles west of Charlotte on I-85, and presents all the reasons why there is something special about taking the team on the road for camp. Three pristine, Bermuda-grass fields with a stand of tall pines on two sides and a terraced hillside -- where fans sit and watch -- on another. Fans, many of them young boys and girls, lined up along the fence, getting autographs after practice. It's a scene straight out of football's past."

THE TERRIER SCULPTURE

A sculpture of a Terrier was unveiled on March 25, 2008 outside of the Student Life Building as a gift to Wofford College from the Class of 1956. The following is the text of an address given by Talmage Boyd Skinner, Jr., 1956, Chaplain Emeritus of Wofford College on the dedication.

The mascot of a college should, in large measure, represent the character of the place. In this Palmetto State, we are surrounded by a bevy of mascots. There are Gamecocks and Tigers, Bulldogs and a Rooster named Chanticleer, Indians, Paladins, Cougars, Valkyries, and one school has a sock for an ensign. There are Trojans, Pioneers, and Spartans, and various Cats and feathered creatures. In all the land, only two other schools are Terriers. Some will laugh when we affirm that we are the only true Terriers. Some chuckle when we are audacious enough to claim to be unique and even superior in so many aspects of being a college. The most arrogant of us will admit that there are many good colleges. We have even tried to copy some. I have always been a bit uncomfortable when we talk of another school being a -- "flagship" that we need to emulate. Hey! We ARE the flagship! Forgive the pride of some old guys who have loved this little school for over half a century. Yes, we did not come to Wofford just to purchase an education; we joined Wofford. We were adopted into the family with a bond that cannot be broken. Many colleges claim to be family. We truly are.

Ours is a bond of shared experience hammered out on the playing fields against foes our size and those with more students than we have living alumni. It does not stop with athletics. The term "student athlete" has authenticity at Wofford. The bond is from a shared academic experience that is not content just to pass on so-called facts, but prepares students to think and to continue to grow. The "proof of the pudding" is in the doctors, lawyers, college presidents and professors, teachers, coaches, leaders in business and service - even in the ministry of the Church. A bond is created in the experience of the arts - the theater program, choral music, strings. One thing we lack - a band - not just the band class that plays well once or twice a year, but a BAND for spirit and musical experience. A bond is created through service programs and the physical arts witnessed by so many exhibitions on campus. Not the least is a religious life program that is open and tolerant, that walks with students seeking answers and helps them first learn to ask questions.

We, the Class of 1956 present this Terrier to our college as a symbol of Wofford Spirit in all aspects of this place like no other. We want to add to the tradition of this sacred ground. We want to remind the present Wofford that there is a past on which she stands and remind all of us that it all will be forgotten if we do not have a vision for the future. Our goal should be deeper than the usual quest for reputation, wealth, and prestige. Dr. Dunlap has always called Wofford a "kingdom of the just." May that ever be our watchword. It may be a simple, unsophisticated phrase, but we are called not to be powerful, but good. As the prophet Micah said, "What does the Lord require of you but to do justice and to love kindness and to walk humbly with your God."

The Class of 1956 proudly and humbly presents this physical representation of the Spirit of Wofford College and all those members of our family who ever lived or presently live on the "City's Northern Border," and all who are yet to dwell in the shadow of the Twin Towers.

NCAA COMPLIANCE

The importance of following all NCAA rules and regulations is imperative to maintaining the integrity of Wofford College and intercollegiate athletics. We ask all who are associated with the institutions athletics programs to help the College protect the spirit of competition, the athletics eligibility of our student-athletes and the reputation of the College by adhering to the rules and regulations of the NCAA and by contacting the Compliance Office or the NCAA with all questions. If you have any questions about NCAA rules, please contact Elizabeth Rabb at (864) 597-4090, the Wofford website at woffordterriers.com and click on 'Compliance,' or the NCAA at www.ncaa.org.

What is a Representative of Athletics Interests (Booster/Donor)?

All alumni, friends, and employees of the College are categorized as 'representatives of athletics interest.' The NCAA stipulates that once an individual has been identified as a 'representative' or "booster/donor" he/she retains this status forever even if the individual is no longer associated with the athletics program. Furthermore the NCAA states that it is possible for a person to be a representative of more than one institution at the same time. A representative of athletics interest may not:

- Contact a prospect's coach, principal or counselor in an effort to evaluate a prospect
- Visit the prospect's institution to pick up film or transcripts
- Contact a prospect, his/her parents, legal guardians or spouse on or off campus
- Contact a prospect by telephone or letter
- Make special arrangements to entertain a recruit
- Provide extra benefits to a prospect, student-athlete or the parents, family and/or guardians of the prospects or student-athletes

SOUTHERN CONFERENCE

The Southern Conference, which is in its 99th season of intercollegiate competition in 2019-20, is a national leader in emphasizing the development of the student-athlete and in helping to build lifelong leaders and role models.

The Southern Conference has been on the forefront of innovation and originality in developing creative solutions to address issues facing intercollegiate athletics. From establishing the first postseason college basketball tournament (1921), to tackling the issue of freshman eligibility (1922), to developing women's championships (1984), to becoming the first conference to install the 3-point goal in basketball (1980), the Southern Conference has been a pioneer.

The Southern Conference is the nation's fifth-oldest NCAA Division I collegiate athletic association. Only the Big Ten (1896), the Missouri Valley (1907), the Pac-12 (1915) and the Southwestern Athletic (1920) conferences are older in terms of origination.

Academic excellence has been a major part of the Southern Conference's tradition. Hundreds of Southern Conference student-athletes have been recognized on CoSIDA Academic All-America and all-district teams. A total of 20 Rhodes Scholarship winners have been selected from conference institutions, most recently in 2012-13, when former Wofford volleyball player Rachel Woodlee earned the prestigious award.

The conference currently consists of 10 members in six states throughout the Southeast and sponsors 22 varsity sports and championships that produce participants for NCAA Division I Championships. The league added rifle, becoming just the second Division I conference to sponsor the sport, in 2016-17, and added women's lacrosse for the 2017-18 campaign.

The Southern Conference offices are located in the historic Beaumont Mill in Spartanburg, S.C. A textile mill that was in operation from 1880 until 1999, Beaumont Mill was renovated in 2004 and today offers the league first-class meeting areas and offices as well as a spacious library for storage of the conference's historical documents.

MEMBERSHIP HISTORY

On Feb. 25, 1921, representatives from 14 of the Southern Intercollegiate Athletic Association's (SIAA) 30 members met at Atlanta's Piedmont Hotel to establish the Southern Intercollegiate Conference. On hand at the inaugural meeting were officials from Alabama, Alabama Polytechnic Institute (Auburn), Clemson, Georgia, Georgia School of Technology (Georgia Tech), Kentucky, Maryland, Mississippi A&M (Mississippi State), North Carolina, North Carolina State, Tennessee, Virginia, Virginia Polytechnic Institute (Virginia Tech) and Washington & Lee.

Dr. S.V. Sanford of Georgia was chosen as acting chairman and N.W. Dougherty of Tennessee was named secretary. The decision to form a new athletic conference was motivated by the desire to have a workable number of conference games for each league member. With 30 schools in the SIAA by the early 1920s, it was impossible to play every school at least once during the regular season and many schools went several years between playing some conference members. In addition, in 1920, the SIAA voted down proposed rules that an athlete must be in a college a year before playing on its teams and refused to abolish a rule permitting athletes to play summer baseball for money.

Play began in the fall of 1921, and a year later, six more schools joined the fledgling league, including Tulane (which had attended the inaugural meeting but had elected not to join), Florida, Louisiana (LSU), Mississippi, South Carolina and Vanderbilt. VMI joined in 1925 and Duke was added in 1929.

By the 1930s, membership in the Southern Conference had reached 23 schools. C.P. "Sally" Miles of Virginia Tech, president of the Southern Conference, called the annual league meeting to order on Dec. 9, 1932, at the Farragut Hotel in Knoxville, Tenn. Georgia's Dr. Sanford announced that 13 institutions west and south of the Appalachian Mountains were reorganizing as the Southeastern Conference. Members of the new league included Alabama, Alabama Polytechnic Institute, Florida, Georgia, Georgia School of Technology, Kentucky, Louisiana, Mississippi, Mississippi A&M, University of the South, Tennessee, Tulane and Vanderbilt.

According to the minutes of the meeting, Dr. Sanford stated that the division was made along geographical lines. Florida's Dr. J.J. Tigert, acting as spokesman for the withdrawing group, regretted the move but believed it was necessary as the Southern Conference had grown too large. The resignations

SOUTHERN CONFERENCE

were accepted and the withdrawing schools formed the new league, which began play in 1933.

The Southern Conference continued with membership of 10 institutions, including Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina, Virginia, VMI, Virginia Tech and Washington & Lee.

The second major shift occurred some 20 years later. By 1952, the Southern Conference included 17 colleges and universities. Another split occurred when seven schools – Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest – departed to form the Atlantic Coast Conference, which began play in 1953. The revamped Southern Conference included members The Citadel, Davidson, Furman, George Washington, Richmond, VMI, Virginia Tech, Washington & Lee, West Virginia and William & Mary.

A third major shift occurred in 2012-13, when five members announced their departures and three schools were added. College of Charleston announced its decision to leave for the Colonial Athletic Association following the 2012-13 season, while Appalachian State (Sun Belt), Davidson (Atlantic 10), Elon (Colonial) and Georgia Southern (Sun Belt) announced they would depart following the 2013-14 campaign. At the Southern Conference's 2013 spring meetings in Hilton Head Island, S.C., the league officially extended invitations to former members ETSU and VMI, as well as Mercer, to join the league for the 2014-15 academic year.

Today, the league continues to thrive with a membership that includes 10 institutions and a footprint that spans six states: Alabama, Georgia, North Carolina, South Carolina, Tennessee and Virginia. Current league members are The Citadel, ETSU, Furman, Mercer, UNCG, Samford, Chattanooga, VMI, Western Carolina and Wofford.

FOOTBALL

The Southern Conference has also excelled as the premier Football Championship Subdivision (FCS) conference. Former Southern Conference member Appalachian State won the three consecutive FCS titles from 2005-07, becoming the first team to do so. The league boasts more than 250 players who have garnered All-America recognition and numerous national player or coach of the year awards. The conference had at least one team in the top 10 of the final FCS poll for 28 consecutive years

(1985-2012), with at least two teams finishing in the final poll in every season from 1982-2013. Two SoCon teams – ETSU and Wofford – finished in the top 25 in 2018.

The conference has placed multiple representatives in the FCS Playoffs in 30 of 35 seasons, with 16 championship game appearances and eight national titles.

Wofford won the 2003, 2007, 2010, 2012, 2017 and 2018 SoCon Football Championships.

Wofford won the 2013 Men's Soccer Regular Season Championship.

At the end of the last academic year, there were approximately 2,000 four-year colleges in the United States. Only 262 of them have the right to induct their graduates into Phi Beta Kappa, the nation's most prestigious liberal arts honor society. There are five independent Phi Beta Kappa colleges and universities in the Carolinas: Wofford, Davidson, Duke, Furman and Wake Forest.

Founded at the College of William and Mary in December 1776, Phi Beta Kappa was the first of the Greek letter fraternities and adopted such rituals as the badge, the secret oath, and the special handclasp from the various secret societies of the day.

Phi Beta Kappa, however, was also devoted to the principles of "friendship, morality, and literature (or learning)," and these characteristics gradually attained the greatest emphasis. John Quincy Adams, Edward Everett and Joseph Story, members of the Harvard chapter, are credited with making the fraternity a public literary and honor society for undergraduates in the 1830's. Women were first admitted to Phi Beta Kappa in 1875 at the University of Vermont.

Wofford received its chapter at the 1940 triennial meeting, bringing to fruition more than ten years of work by three Phi Beta Kappa members who were then serving on the faculty: President Henry Nelson Snyder, Dr. David Duncan Wallace, class of 1894, and Dr. John West Harris '16, a brash and brilliant young English professor not afraid to campaign vigorously in the conviction that his alma mater deserved membership. (Dr. Harris later founded the National Beta Club, which still has its headquarters in Spartanburg).

With about 350,000 members across the country, Phi Beta Kappa today sponsors numerous programs to encourage scholarship and learning, including the Phi Beta Kappa Book Awards and the visiting scholar, academic fellowship and leadership programs.

For these reasons, Phi Beta Kappa Day at Wofford has institutional significance, as well as being especially memorable for the new members, each of whom will receive the traditional Phi Beta Kappa watch key or pin.

Nick Colvin '17 (above) was one of four football players to be inducted into Phi Beta Kappa in the 2016-17 academic year.

WOFFORD ATHLETICS HALL OF FAME

Recognizing the value of athletics to Wofford College and the American way of life, the Terrier Club established a policy of administering and sustaining the Wofford College Athletic Hall of Fame.

The purpose of the Hall of Fame is to honor those who, by outstanding athletic achievement and service, have made lasting and significant contributions to the cause of sports at Wofford College, the Spartanburg community, South Carolina and the Nation.

Any Wofford College Graduate who received a letter from the Wofford College Athletic Department is eligible for selection to the Hall of Fame five (5) years after completion of eligibility.
